

Engaging families. Meeting needs. Giving hope.

November 30, 2023

Dear Community Partner,

Since moving into our new location just over a year ago, Solanco Neighborhood Ministries has seen tremendous growth, both in the number of neighbors coming to us for services and in the number of local businesses wanting to partner with us. We now serve over 600 households and provide weekend meals to 291 local students in grades K-8. We hope by sharing our 2024 calendar of events with you, we can engage more with local businesses and explore ways that we can work together to serve our community.

On the enclosed calendar, you will find opportunities to participate in seasonal events happening throughout the year, such as food drives, collecting hats and gloves during the winter, gathering items for our Backpack Giveaway, and more. You will also find opportunities to financially sponsor events, programs, and workshops. You can facilitate a workshop if we offer one that fits your knowledge, expertise, and interest, and if you have an idea for a program not listed, please let us know! For a more detailed description of these calendar events, please visit the Partner page on our website at <https://solanconehoodministries.org/partners/>.

Thank you for taking the time to review our 2024 calendar of events and please let us know how you would like to be involved next year. We sincerely hope you will consider partnering with us. Together, we can use our collective gifts to bless our many neighbors in need. If you have any questions or would like to discuss in more detail how we can partner, please email me at tcapitao@snministries.org or call me at 717-786-4308 x24.

In Christ,

Todd Capitao, Director of Programs
