### THANK YOU

Thank you for helping us finish 2025 strong. With your help, we were able to provide 535 food orders to local families, a number that continues to rise each year.

### SOUPER BOWL

Score a touchdown to stop hunger in our community. Cheer on your favorite team while helping SNM restock its shelves in support of local families.

Donations of chicken and tomato soup will primarily benefit our SWEEP program which sends weekend meals home to **330 students each week.**

Please drop-off Souper Bowl donations by 2/16.
